## *Foreword*

Petersburg High School, as we know it today, was first established in 1911. Until that time, Anderson's Elementary School, built in the 1820's, was located on that site. Since its founding, it has served as a source of memory for countless students who have laughed, learned, and lived within her walls.

Starting with only two courses, "English and Mathematics" and "Classical," and only six teachers, our school has developed and increased rapidly through the years. There are now approximately forty-five courses taught by seventy-three instructors to an enrollment of over 1300.

Still growing and developing, the school plant has recently added eighth grade buildings. The Administration Annex, formerly the Robert E. Lee Elementary School, is now in use for vocational training in numerous fields.

In the field of extra-curricula activities, the high school is also constantly developing. New this year are the Chess Club, the People-to-People Club, and Modern Dance Class, now functioning with the other twenty organizations. In the extra-curricula activities, students become better acquainted with each other while following their individual fields of interest.

In June the senior class of 1965 makes its final imprint on the pages of high school history. In this book we have tried to record the indelible and cherished memories of the best year of our high school careers.

# *The Diary Opens . . .*

*"Memory is the diary that we carry about with us."*

—Oscar Wilde

There are few schools that hold memories for a space of ninety-five years. During this period of its existence, Petersburg High School has been the Alma Mater of thousands of loyal and devoted students.

In June of 1965 another class will graduate from P.H.S. The heritage and fine background of our school is only one of the many characteristics of which this class can be proud.

The class of 1965 has been a class with many "firsts" to its credit. This was the first senior class to have the six period day, as well as being among the first to have the twenty-three credit requirement for graduation. This class, also, was among the first to graduate from our school after the addition of the Eighth Grade in 1963.

During this year, P.H.S. students can boast of many achievements . . . a football team which tied for first place in the Central District, as well as a District Championship golf team . . . football and basketball wins over Hopewell and Colonial Heights . . . a larger number of merit winners than ever before . . . the largest senior class ever to graduate from these halls.

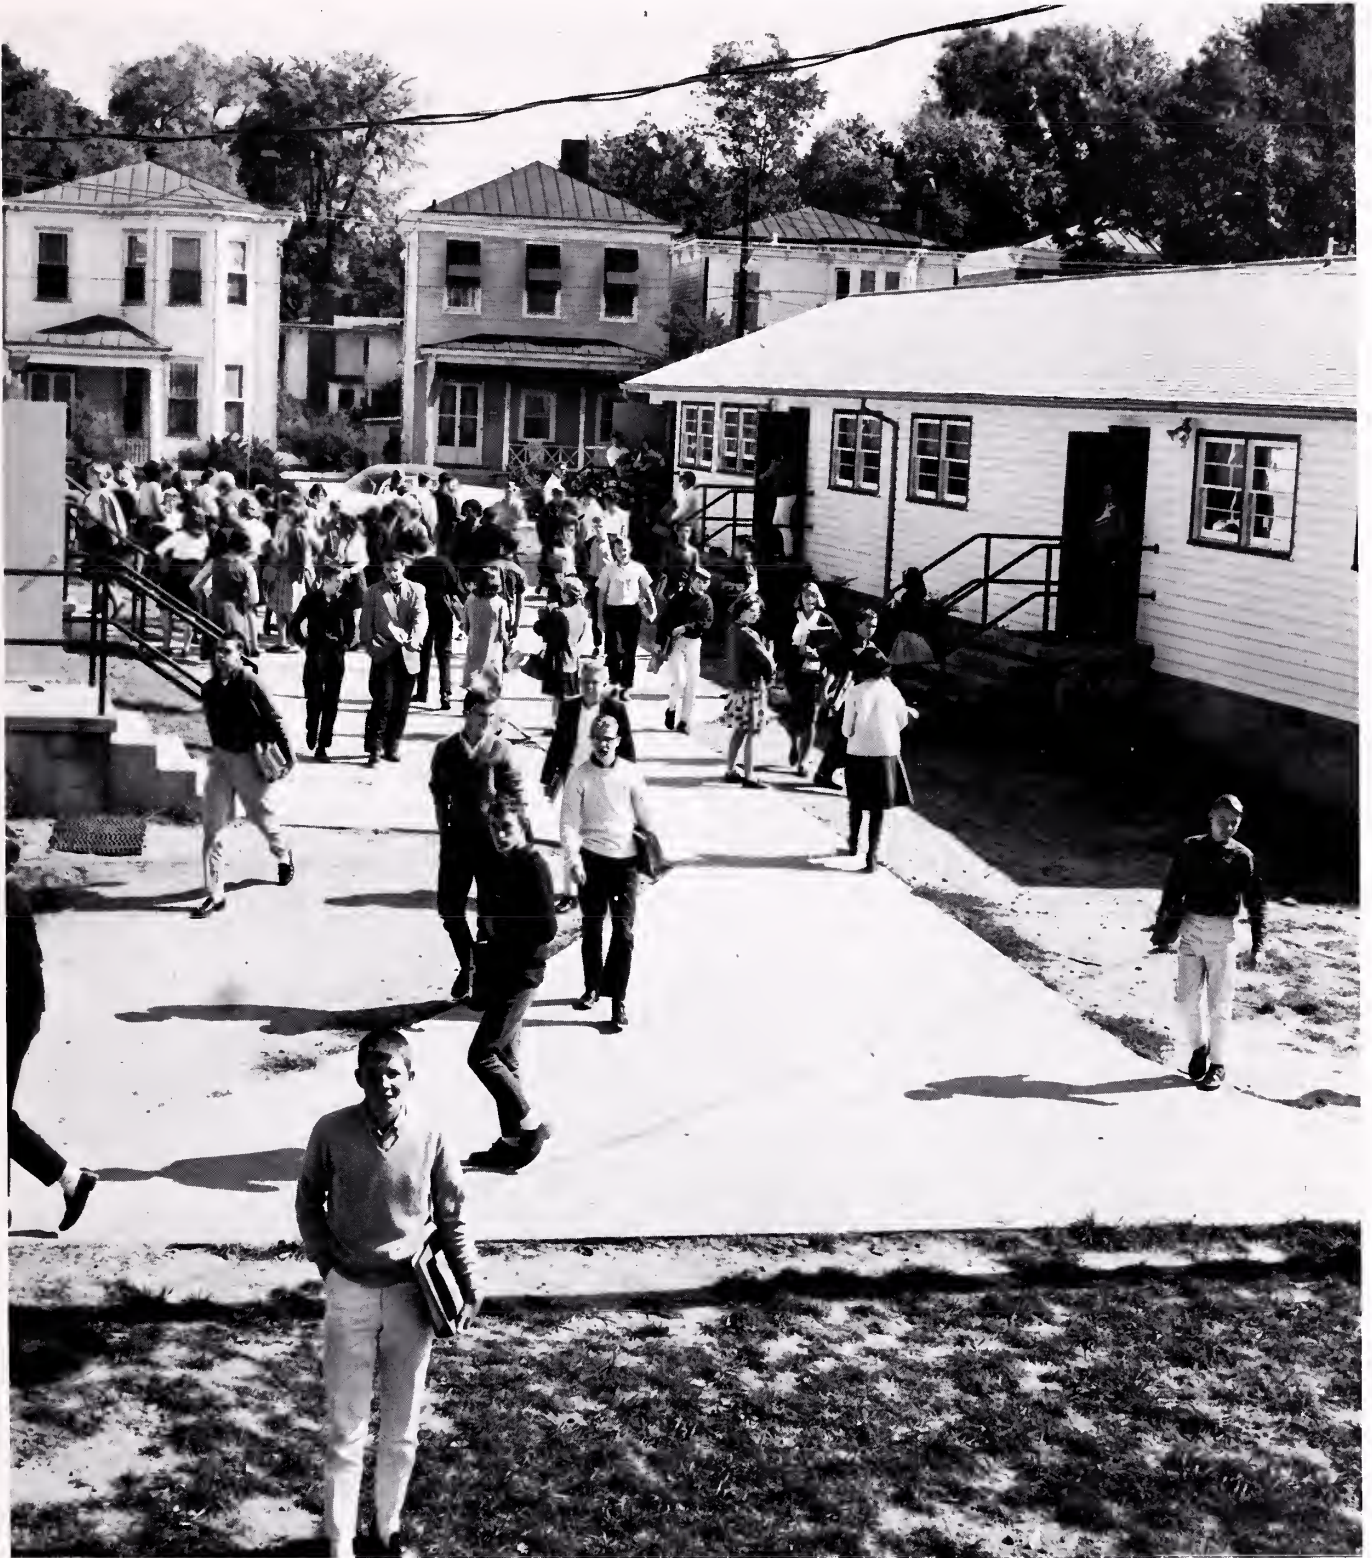

Our school has continued to be among the best . . . both athletically and academically. As students we can pride ourselves on these qualities — for it is we, the students, that constitute the school.

As seniors, the class of '65 leaves these halls to make room for a new class. Our journals are filled to overflowing with reminiscences of our days here — the best years of our lives.

These moments and days we will always cherish. "A million tomorrows shall all pass away — e're we forget the joy that is ours today."

## *First Entries of High School Life*

As the bell rings, signalling the first class change, eighth graders promptly leave their homerooms in the recently built temporary outside buildings, once more beginning another day.

Just commencing their high school careers, they eagerly look forward to future years and anticipate a diary well-filled with memories.

# *A Teacher Affects Eternity*

## *Dedication*

*"A teacher affects eternity; he can never tell where his influence stops." <sup>1</sup>*

Mr. Robert G. Churn, Athletic Director and history teacher, has found that magic combination of eternal youth, adult maturity, and teen-age understanding. By his influence, all of his students have become better citizens as well as persons.

Mr. Churn's classes are both enjoyable and stimulating. His flare for incorporating anecdotes with history brings past events into the reality of the classroom. His students will always remember the allies of World War II—Russia, England, France, and the Marine Corps, his imitation of Khrushchev, the Iwo Jima Monument (he facetiously claims to be third from the left), and the SPCA. But most of all, we will remember his friendly smile, his love for history, and his concern for others.

Coach Churn graduated from our own Petersburg High School and then immediately joined the Marines. After his basic training at Paris Island, he was assigned to the First Joint Assault Signal Company of the First Marine Division. He saw duty during the Okinawa Campaign and occupation duty in North China. With his congenial personality he must have been the United States' greatest good-will ambassador.

After the war, Mr. Churn attended Randolph-Macon College where he was captain of the baseball team and a member of the All-State Baseball Team of 1948.

When he came back to teach at Petersburg High School, he became varsity baseball coach and then Athletic Director. Perhaps his greatest contribution is his high ideals of sportsmanship which he instills in every Petersburg athlete and spectator.

Because of his concern for others, his service to Petersburg High School, and his high ideals, we, the MISSILE staff of 1965, with sincere gratitude, dedicate this annual to Mr. Robert G. Churn—our teacher, coach, Christian gentleman, and friend.

## *Faculty Witnesses Senior Ceremonies*

### *Curricula*

On graduation day, to the solemn strains of "Pomp and Circumstance", the seniors, clad in robes of blue or white, march in procession across Cameron Field to their places in front of the speaker's platform.

Filing by the faculty, each recalls moments spent with particular teachers. One may be reminded of formulas in geometry, algebra, or chemistry, or agonizing days in solid geometry or trigonometry, another of drawing red lines in bookkeeping, while still another may remember freshman days in Latin, biology, or physical education. Some teacher's particular theory or words of advice, his prejudices and opinions may be recalled by some, while no one could forget junior and senior literature tests and term papers.

The faculty, too, have memories, as they, in turn, watch each senior pass by. Standing, and thereby honoring the class, the instructors may recall some student's special qualities, witty remarks in class, or perhaps someone's older brother or sister taught in years past.

Each teacher, too, makes a mental note in his diary of memory as, once more, a senior class leaves, while yet another stands by to take its place.

## RUSSELL B. GILL

College of William and Mary  
University of Virginia  
B.A., M.A.

Mr. Russell B. Gill achieved his position as principal of Petersburg High School in 1943. Since this time, the progression of our school under his leadership and guidance has resulted auspiciously.

The Student Co-operative Association is the essence of our school life. The establishment of the S.C.A. has given the entire student body a unifying effect. Mr. Gill feels that "the organization and promotion of the student council was one of the most significant steps forward."

The efficacy of the "guidance counselor's program" has led the school forward steadily. Mr. Gill states: "Guidance cuts across every area of school activity. The student activities program should be closely related to guidance. Co-ordinated with the guidance committee is the student council. We are fortunate in having a co-operative faculty who is truly concerned about the welfare of its students. I honestly think that the students realize this. The whole school is intricately interwoven for the best interest of its students."

The success of the Vocational Department has been a major feat. It has enabled students to graduate and immediately obtain a job in their field.

Mr. Gill's leadership has established P.H.S. as a comprehensive school — one which prepares a student for college and for life in a vocation. He has justified our trust in his guidance and we are indebted to him for his dedication.

## EDWIN M. BETTS

University of Virginia  
B.S., M.Ed.

Our school could not prosper to its fullest capacity without the vital guidance of a proficient administrator. Mr. Edwin M. Betts, assistant principal, has flourished in this position since 1960. Before that time, he taught English, speech, and dramatics at Petersburg High for seven years.

Mr. Betts, aided by his artistic ability, has contributed greatly to the memory of P.H.S. He brought worthwhile drama to the Petersburg High School stage with successful performances of *Our Town*, *The Glass Menagerie*, and *The Diary of Anne Frank*. Mr. Betts recollects, "The people who performed were real troopers. In several instances, some of the people who participated in the plays have become professionals or semi-professionals in the theater."

Before serving as assistant principal of Petersburg High School, Mr. Betts contributed his patience and understanding to the students as S.C.A. advisor. Mr. Betts stated: "Not only have our students proved their leadership and capabilities at P.H.S., but also statewide. Elected from Petersburg High have been such important officials as the Secretary of the State S.C.A. and a committee member of the State Advisory Committee. We are very proud of our students who have represented us here at our school and in the state."

# Teachers Prepare for Typical Day

The Three Musketeers—Miss Prichard, Miss Curlin, and Miss Boswell—begin the secretarial day with organized confusion.

Overheard between Private Payne and Col. Lloyd, "Clear the decks for—WHAT?"

Mr. Zaruba looks dubiously at Miss Ruffin and Miss Wrenn as they insist that they ARE teachers.

Mr. Cook, Coach Tyler, Mr. Jean, and Mr. Baxter relax in front of the maintenance office before another school day begins.

Our reliable librarians, Mrs. Dodge and Mrs. Litchfield, breathe a sigh of relief as they finish straightening the encyclopedias.

# Story of Daily Routine

Mr. Leete explains to his Physics class, "And the chimney goes on top like this."

Mr. Seabolt tells his physical education class, "We're gonna do the twist, and it goes like this."

Mr. Cline glances quizzically at a newly completed class project as Robert Warf laughs jokingly at his reaction.

Scat and Step rules are read by Miss Wood for the 999th time.

The issuing of the morning bulletin causes the digression from Mr. Parr's interesting lecture on consumer economics.

# Told by Classroom Scenes

Mr. Congdon relaxes between classes as he thinks about the program planned for the D. O. meeting.

Miss Doan chuckles at Susan Porter's pronunciation of a Latin poem.

Mrs. Stronach and Miss Evans contemplate what they will do if it rains during Missile day for club pictures.

Mrs. Brooks, business teacher, smiles radiantly while making decorations in preparation for a dance.

The complexity of the lathe is explained to Arthur Turner by Mr. Slater in the Vocational Machine Shop.

# Instructors Involved in Various

Mr. Gill explains the advisor's responsibilities at the first meeting of the faculty sponsors.

Having returned home from a strenuous day of coaching basketball, Mrs. Syme and Nibs exchange a few words.

"But you just can't shoot me!" cries Miss Bailey, senior guidance counselor, as cheerleader Linda Rubin practices before the John Marshall pep rally.

Mr. Miller checks the attendance as teachers enter for the faculty meeting.

Everyone seems to be wondering if the gentlemen teachers are going to make an appearance at the regular Tuesday afternoon faculty meeting.

# Activities After School Hours

"Things go better with Coke," says Mr. Betts, assistant principal, while chaperoning for the Senior Prom.

"But Daddy, the Key Club milkshakes are only 30¢," pleads Mr. Budlove's daughter.

Coach Jenkins, supposedly chaperoning for the Senior Prom, demonstrates his physical fitness as he does the "Bird".

"Now in my day . . ." begins Mr. Churn, athletic director, as he explains how he would have executed the play to football fans, Jimmy Douthat, Gerald Texeira, and Jimmy Jacobs.

Mr. Stronach conducts the finale from Shostakovich's Fifth Symphony.

Miss Morgan, stepping out at the Junior Ring Dance, flashes a big smile as she watches her students eagerly anticipating the joy of receiving their rings.

## *The Beginning of the End*

### *Seniors*

At last graduation approaches. As each senior makes the last mental entries in the diary of his years at Petersburg High School, his mind is flooded with memories of time spent within these walls . . . academic and social life . . . joyous moments . . . anxious moments . . . those filled with excitement, hope, disappointments, and certainly memories of friendships.

Even as each page of our diary is concluded, new pages lie ahead—unmarked and challenging—as expectant seniors leave their beloved high school and move on into the world.

# Seniors Caught in Serious and Frivolous Acts

"Shakespeare won't mind if we just have a nibble at his cake," Mrs. Stornach assures Gayle Drake.

Jimmy Douthat and Sherry Irving try "Friendly Persuasion" on political adversaries Barbara Kaplan and Mike Barney in Mr. Churn's History V class.

Carol Payne and Jackie Richards find Wanda and Toby useful friends.

Miss Bailey introduces seniors to the complicated process of college admission.

Philosophical endeavors are always the prime concern of Susan Wyche and Susan Porter.

# *Leadership and Spirit Displayed by Seniors*

The towering blaze of the pre-Hopewell game bonfire boosts school spirit and assures victory.

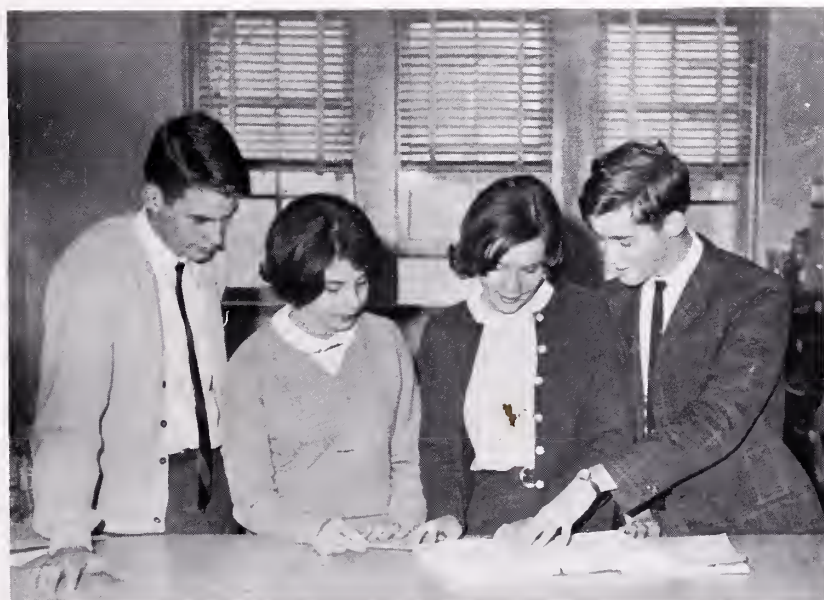

Bobby Harris, candidate for SCA president, presents his platform to the student body.

Jimmy Douthat, Gibson Dunn, Bill Lee, and Polly Romaine prepare posters for the SCA campaign.

Senior Gold Blazers display their musical talent for PHS audience.

Bob Powell, Rosemarie Russi, Gayle Drake, and John Boswell, representatives to the Planning Committee of the Annual Brotherhood Conference, discuss ideas for promoting brotherhood in our school.

# Prom Highlights Senior Year

Emory Waters, Mitch Bassman, and their dates attempt to fly while doing the "Bird" at the Senior Prom.

Jimmy Douthat always holds up his end of the project.

Ah . . . There's at least one slow dance!

"Here! Let me show you how to do it," exclaims Bobby Harris (right) to Freddie Feil and Tommy Ruffin as they decorate for the Senior Prom.

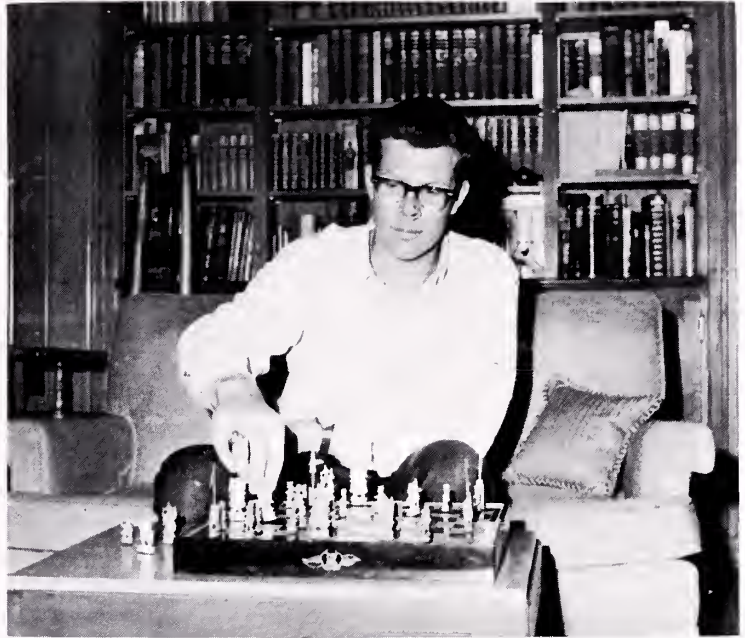

The people, the atmosphere, the memories—the Senior Prom.

# Seniors Honored Nationally and Locally

Gibson Dunn, National Merit winner, rarely loses a game with himself.

Merit winner Emory "Hamlet" Waters "hams it up" with senior English teacher Mr. Miller.

Miss Bailey chats about the DAR Award with its recipient Gayle Drake.

National Merit scholar Jeb Boswell's visage is brightened by the enthusiasm of a responsive audience.

Gibson Dunn and Jeb Boswell cheer Bill Lee on to great athletic achievement.

## *Underclassmen Have Great Expectations*

### *Underclassmen*

Underclassmen at Petersburg High School are, day by day, meeting new challenges preparing them for the future. The positions vacated by today's seniors must be filled by these underclassmen in years to come.

Perhaps the most thrilling of all high school memories is the Junior Ring Dance. As each junior steps through the figure and at last receives this long-awaited treasure, he has a sustaining sense of pride in belonging to his class.

Sophomores begin filling their diaries as they participate in more varied activities and deeper, more-involved study. The homecoming festivities are their responsibility as they take a more active part in school life.

Entering their second year of high school, freshmen are faced with new and difficult courses, coming in contact for the first time with Latin and higher math. Freshmen are a vital part of life at P. H. S. for they are the future seniors.

Eighth graders open their diaries as they enter the halls of P. H. S. At first frightened, they soon become a part of the classes and activities. Novel and zestful experiences are theirs, and ahead for them are five years of great expectations.

# Marvelously "Misty" Memories

Ring Queen Pam Edwards and escort Buddy Williams seem to be enjoying themselves at the Ring Dance.

"Do you really think I look like the Mona Lisa?" asks Mr. Miller, junior class sponsor.

Steven Halloway looks on as Jake Holton tastes his preparation of sulfuric acid.

"With this ring . . .," says Mr. Deck as he fits Mona Shaban for her class ring.

Juniors make the most of their big night to the theme of "Misty".

## *Juniors Recall Whimsical Incidents*

Laura Zachman and John Graves look on as Bill Traylor and Dolly Williams discuss their test papers.

The leader of the pack, Linda Kay, starts another new fad at P.H.S., as Robert Bryant, Holvar Olson, and Jerry Johnson wait their turn.

This merry group of art students pauses from their work in order to toast their photographer.

Elaine Slate shows only a part of the Christmas spirit at P.H.S. in the art building.

Miss Inge's students Anna Messina, Anne Wells, and Eleanor Robertson seem wrapped up in a typical discussion.

Miss Murphy reads *une leçon interessante* to her class.

## *Sophomores Explore Varied Subjects*

Mr. Jean's studious history class concentrates upon the art of taking notes.

As her audience raves over her performance, Miss Cosby is transformed into the lilting Madame Butterfly.

Karen Comer and Rita Fuerry use PHS Postal Service supplied by Art Club to send valentines to their secret sweethearts.

Patty Holden, Phyllis Sheintock, Jimmy Basl, and Spot Roper search for ancient Roman treasures in room 217.

## *Sophomores Seen in Lighter Moments*

Principal Russell Gill presents Fall Festival Queen Marsha Dunnivant a bouquet of roses.

Bill Hill mugs for the press in journalism class.

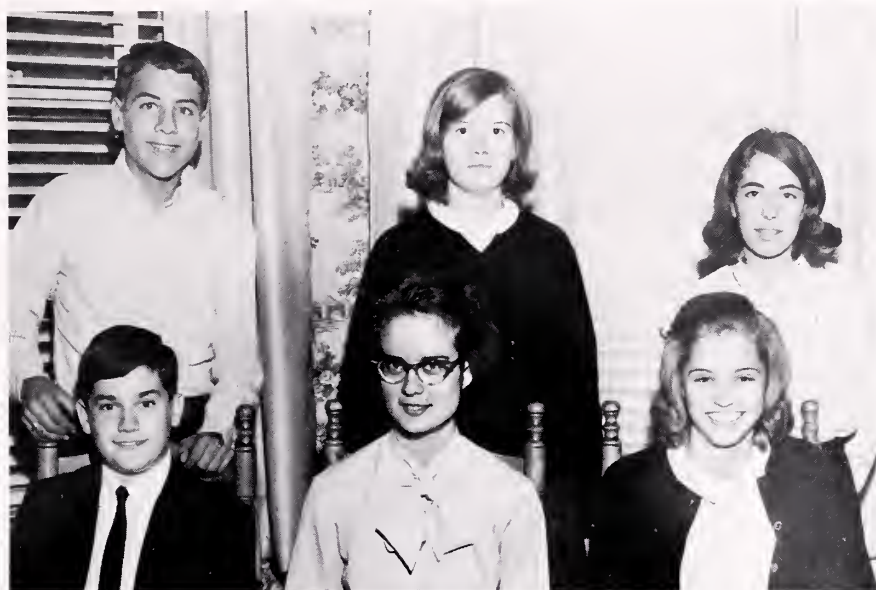

Lively sophomores are "dogged" in their pursuit of pleasure.

The Fall Festival Dance is the pinnacle of the sophomore social season.

Mr. Cline explains the function of the oscilloscope to the students in Electronic Technology.

## *Activities Stimulate Student Interest*

Inter-Club Council president, Billy Pritchett, and sponsor, Mr. Richard Zaruba, give samples of the corsages they will sell at the Thanksgiving game to Pam Edwards

and Rose Ellen Stewart, while Penney Dudley chooses the one she likes best.

### *Activities*

Extra-curricula activities stimulate the student's interest, making him a better school citizen and a more well-rounded person. The twenty functioning organizations at P.H.S. offer a variety of interests, and there is a club suited to the liking of almost every student.

Specific talents are displayed in such organizations as the Band, Glee Club, or Art Club, while the French, Spanish, and People-to-People Clubs broaden the scope of the classroom and are more educational. The service clubs, social clubs, and pep clubs, too, are a vital part of extra-curricular activities, all of which function in co-operation with the S.C.A.

Each club is represented in the Inter-Club Council. This organization promotes projects which will benefit all the clubs. The Council usually sponsors some school-wide project, in which members of all organizations may participate and from which each and every club may profit.

### S.C.A.

Our Student Co-operative Association was started about 1944. Mr. Gill helped to organize it and in 1955 Mr. Betts became the sponsor.

The main purpose of the S.C.A. is to decide on school policies over which the students have control. Some recent projects are making a map of available parking places for the students, develop-

ing a closer relationship between the faculty and students, and also promoting a closer relationship among the student body.

Theoretically, all students are members of the S.C.A., although one representative and one alternate are elected from each homeroom to attend the meetings in behalf of the other students.

President Bob Powell presides over the bi-monthly meeting of the S.C.A.

## *In Student Council Activities*

S.C.A. helpers, Nancy Adams, Claude Saunders, and Tim Gwaltney, take time to help make decorations for the Junior Ring Dance.

Sue Costner, Marsha Dunnavant, Carol Moore, and Jo Myers appear to be accumulating an abundance of decorations for the Christmas festivities.

"And this is where we can put the new parking lot," indicates Freddie Feil, as Bill Dozier and Mary Powell Johnson, two other members of the Building and Grounds Committee, listen with glee.

## Club Sells Flowers to Sponsor Show

Mr. Zaruba and Bill Pritchett preside over the Petersburg High School Praesidium.

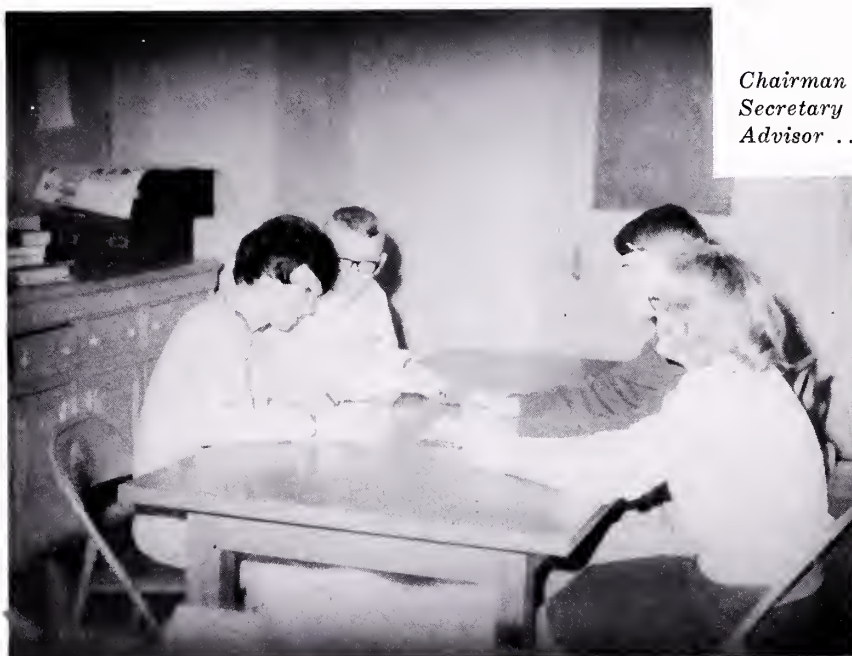

### INTER-CLUB COUNCIL

Since its beginning in 1959, the Inter-Club Council has maintained its goal of "co-ordinate workings of school clubs."

Membership is composed of presidents or representatives of the various clubs at our school.

These approximately twenty-six members have

many projects, their main one being to prevent the overlapping of similar activities within the clubs. Other projects include the supervision of the selling of flowers at the Thanksgiving football game and presentation of a talent show in April.

# *As Story of School Year Unfolds*

Mr. Alexander announces to the Circulation Staff that the Missile drive has gone over the top.

## MISSILE

The *Missile* was once a literary periodical published four times a year. It contained stories, poems, and essays written by the students of Petersburg High. The *Roulette* was the senior annual. It contained class and club pictures and also literary works by the students. In the late thirties, these two books were incorporated into one — the present *Missile*.

Membership for the *Missile* staff is on a volun-

teer basis with one special requirement — willingness to work long, hard hours to make the annual a success.

The *Missile* provides the student with a general concept of the varied phases of school life throughout the year and endows him with lasting memories of P.H.S. The *Missile* is indeed a book to be carried down memory lane.

## REVIEW

In the early fifties, Miss Catherine Hogge started the school newspaper under the name of the **Cockadette**. It contained news and feature stories and editorials which appeared on mimeographed sheets of paper stapled together. Later the name was changed to the **Review**.

The **Review** keeps the students informed about school activities, sports, and many other phases of school life.

The high standing received by the **Review** from the SIPA and the Richmond Journalism Clinic could not be achieved without the editors, typists, and reporters working diligently to make each issue a little better than the one before.

Membership for the **Review** staff is open to anyone who is interested in the field of journalism and who is willing to give his time and ideas to create a publication worthy of student appreciation.

### WEEKLY NEWS

For more than thirty years the 7A English students have been participating in the writing of articles concerning the activities of the school.

Along with editors and assistant editors chosen by the English teachers, the students write news which is not only of importance to the school, but

to the community as well. By these means credit is given where credit is due and all phases of activity in all classes are covered.

Appearing in the Saturday edition of the **Progress-Index**, this news accents the importance of Petersburg High and its students.

## MONITORS

The Monitors Club is one of the oldest clubs at P.H.S. It was started more than twenty years ago by a former chemistry teacher, H. S. Holmes, who was affectionately called "Sarge." The club is based on the co-operation of the student body. Its only project is to render outstanding service to the school. The Monitors take charge of seat-

ing the students in the auditorium, and they rid the halls of congestion by carefully regulating the flow of traffic. The club is composed of twenty-two members, all boys. They are selected by Mr. James Jean, and they must be approved by Mr. Gill and Mr. Betts. Also, they must have at least an eighty-five average.

## PROJECTION CREW

When the Projection Crew was organized in 1955, the teachers were in charge of the club. It is a service organization and is now under the capable direction of Mrs. Lucretia Litchfield. The crew members are responsible for getting the equipment and showing the films in the classrooms. The boys are specially trained by Mrs.

Litchfield, and they must later pass a test on the projector. They are taught to operate the projector properly, how to locate any trouble if it should occur, and to replace any worn parts. There are always at least one or two projection crew members in the library to assist teachers in showing films.

## *Memoirs Maintained by Library Staff*

Library Staff pauses from numerous daily duties to pose for picture.

### LIBRARY STAFF

The library staff has been a continuous organization since the beginning of our high school. A few of our past librarians have been Miss Julia Robinson and Mrs. Spencer. Mrs. Rhea Dodge now heads this group.

These girls help to ease the load for the librarians by taking care of the desk, shelving books, and watering the plants. Membership is completely on a voluntary basis, and there is an average of twenty-five to thirty girls on the staff.

Cindy Porter and Judy Lamberson receive their orders for the day from their "chief" Mrs. Dodge.

Marsha Dunnivant attempts to hide that novel she has been wanting to read behind some books on the library shelf.

Spirited seniors sneak up on Panthers in preparation for the Hermitage pep rally.

Jovial juniors display jubilation as Wave converts fast break into score.

Eighth and ninth grade members become excited as track star approaches the finish line.

### **GOLD BLAZERS**

The Pep Club was re-organized in the summer of 1959 by Miss Mary Bailey and the varsity cheerleaders under the name of the Gold Blazers. The gold stands for the school color, and the blazers are symbolic of "blazing a spirit."

This year the Gold Blazers are publishing a book of directions for out of town football games. They publicize all school events by making posters

and signs, and they also are in charge of decorating the goal posts. Their main objective is to promote school spirit.

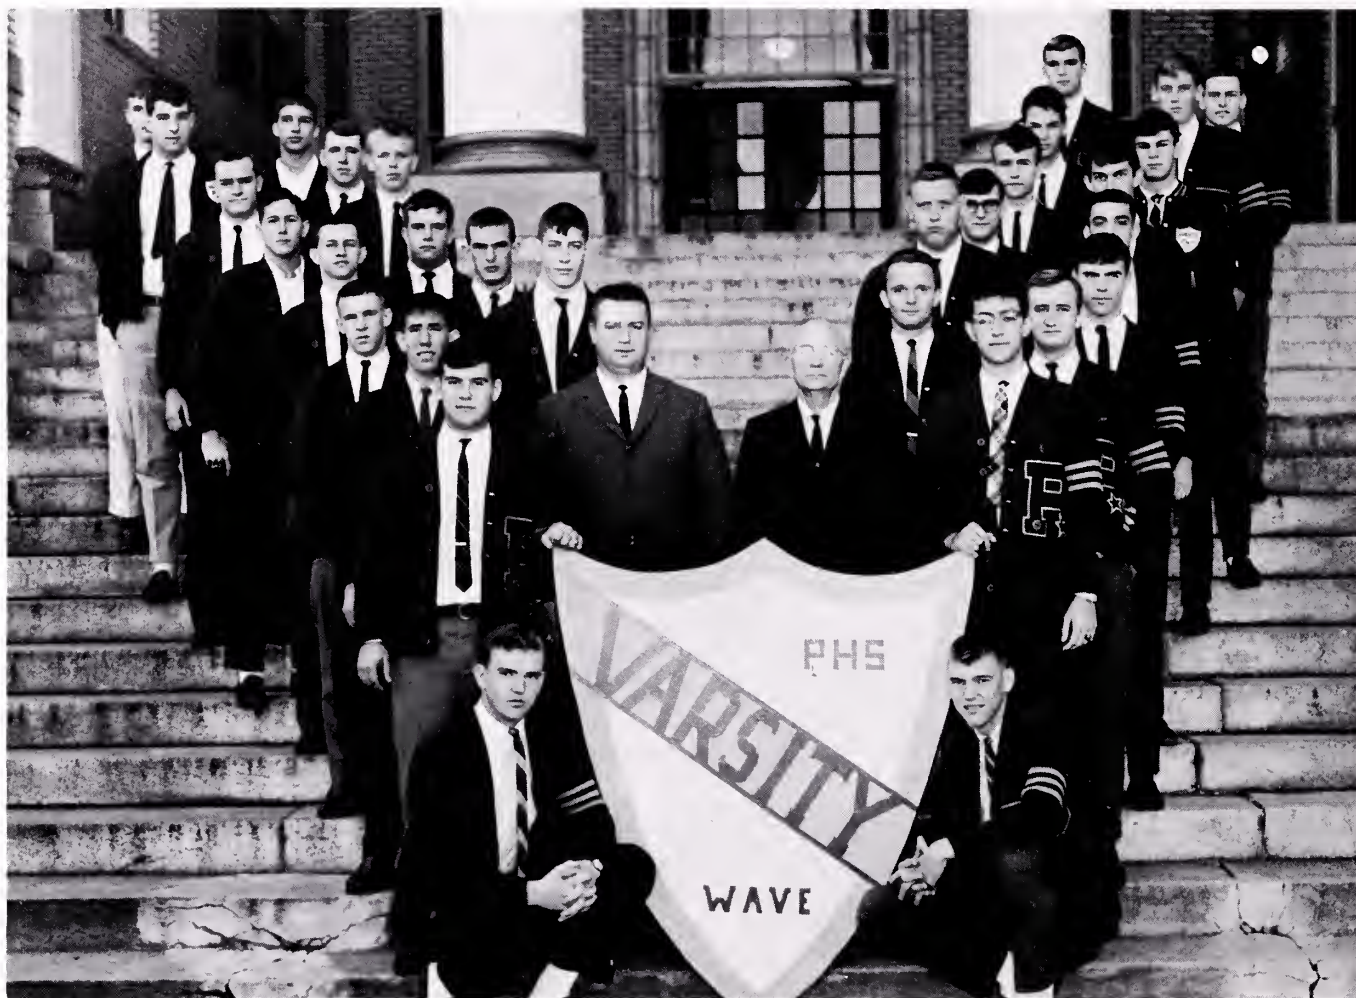

There are representatives from the eighth through the twelfth grades. One representative from each freshman homeroom is elected. All cheerleaders and the semi-finalists may become Gold Blazer members.

Sophomore Gold Blazers contemplate the idea of becoming bat boys(?).

## Varsity Club

The Varsity Club has been functioning ever since the sports program was introduced here. Until 1957 it was called the Boys' Monogram Club; then the name was changed at the request of the members and sponsor. The club was organized to promote good sportsmanship and to bring together those boys with a common interest in sports.

To be eligible for membership in the club, a

boy must have earned a varsity letter.

Though practices and games take up most of their time, these boys find opportunities to deliver Christmas baskets and to earn money for their annual banquet by operating the Cotton Whelan's Service Station in the spring. The members serve as an evacuation committee in case of a fire or nuclear threat. The Varsity Club also entertains the school with its annual basketball game against the Key Club.

## MONOGRAM CLUB

The Monogram Club was once part of an organization known as the Athletic Association which consisted of boys and girls. In the early 1940's the Girls' Monogram Club was begun.

Any girl who has lettered in a sport may join this club.

The members promote good sportsmanship and

stimulate interest in the participation of girls' sports.

The club is concerned with more projects than just sports that serve both the school and the community. The girls support an Indian girl under the Christian Children's adoption plan, they are in charge of the Christmas baskets, they sell drinks at all home basketball games, and they clean the school's trophy case annually.

Sharon Browning, Paula Tudor, and Mimi Maclin aren't really trying to abscond with our trophies, they just want to clean them!

Petersburg High School was the first school in the Central District to have junior varsity cheerleaders. Miss Mary Bailey organized the squad herself in 1951. The first year it was open to girls from all grades but is presently open only to the ninth and tenth graders.

The squad was organized to help promote school

spirit and to lead organized cheering for the J.V. sports.

The girls must have at least an eighty-five average and are selected by a faculty committee by means of try-outs. All subjects must be passed in order for a girl to remain eligible.

## KEY CLUB

"Inspire Individual Initiative" — the aim of the Key Club is to develop its members spiritually, morally, intellectually, physically, socially, and politically with self-reverence, self-knowledge, and self-control.

Sponsored by the Petersburg Kiwanis Club, the club is a service organization to the school and the entire community. This year the boys have undertaken many projects — maintaining a dairy booth at the Southside Virginia Fair, parking cars at teachers' meetings, selling candy, aiding area clubs in their projects, and promoting a get-out-and-vote campaign.

Key Club membership is limited to sophomore, junior, and senior boys who have demonstrated the qualities of citizenship, leadership, character, and sportsmanship. Prospective members must maintain an eighty-five average. They are nominated by the members of the club and approved by Mr. Gill and a selected faculty committee.

## **SOCIAL CLUBS**

The social clubs of P.H.S. were all begun to promote honor, sportsmanship, and school spirit. Members are taken into each by invitation only.

The oldest of these clubs is the Square Circle Honor Society. Organized in 1926, this group has strived to promote honor at our school. Every December the club sponsors a Silver Tea, in May a social is held for all three social clubs combined, and a fashion show is held in April. Throughout the basketball season, candy is sold during the games by this club.

Odd Girls Club, organized in 1928, was composed of members interested in athletics. The name was derived from the fact that there is always an odd number of girls composing the OG

membership. The club has been recognized for its initiative, participation, and example of school spirit. Some of the OG projects are the sale of P.H.S. stationery, participation in Shrub Day and the annual Christmas party at the City Home. Another project is the annual presentation of a picture of some historical site to the school from the OG members.

For over twenty years Goober Pep has rendered services to P. H. S. As is customary, the club awards the Mary T. Perkins Latin Trophy to an outstanding third or fourth year Latin student. G. P. members are also responsible for maintaining the cafeteria bulletin board which they presented to the school last spring.

The Y-Council was organized around 1957 or 1958 for the purpose of governing the Hi-Y's, the Tri-Hi-Y's, and their projects. The main projects of the Y-Council are to nominate people for state

Y-Council officers, and to nominate people for the model general assembly and the Blue Ridge Assembly. The membership is made up of the officers from the Hi-Y's and Tri-Hi-Y's.

## COCKADE HI-Y

In October, 1919, the first Hi-Y was organized. Composed of members of the three upper classes of the high school and limited to only twenty-eight boys, the Hi-Y met on Wednesday for supper and Bible study under the leadership of Reverend H. S. Osburn.

At the present with the number enlarged, this group of boys works equally hard to serve their school and community.

Working year-round, their projects vary from supplying Christmas baskets and working in the Salvation Army Booth to selling cokes at baseball games.

The Cockade Hi-Y also sends representatives to the Model General Assembly and joins the two Tri-Hi-Y's in their annual assembly.

## TRI-HI-Y'S

Organized a short time after the Hi-Y, the Tri-Hi-Y's soon became an important part of school activity.

These Christian clubs strive "to create, maintain, and extend" high standards of Christian character throughout the home, school, and community.

K-Warner and Pence work each year in the Salvation Army booths and at Christmas, Pence gives a poinsettia to the ladies' home. Both groups send representatives to the Model General Assembly and have made plans for speakers at local meetings.

A mutual activity of the Tri-Hi-Y's is an assembly given each year for the entire student body.

The clubs' activities support not only money-making projects such as selling candy, but their work also goes outside of the school. This includes sending K-Warner representatives to Blue Ridge Assembly, support of the March of Dimes, and presentation of the Friendship Trophy by the president of K-Warner at the Hopewell-Petersburg football game.

Membership in these clubs is voluntary with only one requirement — that one must be active and uphold the purpose of the club.

## NATIONAL HONOR SOCIETY

This year was only the second full year that the Petersburg High School chapter of the National Honor Society has had the opportunity to serve the school. The students who comprise this organization agree to uphold the standards by exhibiting the qualities of character, scholarship, leadership, and service for which the National Honor Society stands. These standards must be upheld for continuance of membership.

This year the society has served as ushers at the district teachers' meeting as a part of its reception services. A tutoring service for interested students was also supplied. A tapping in the spring will serve as an induction for new members. Two assemblies, one for the eighth and ninth grades and the other for the upperclassmen, will be held to recognize those who have exemplified outstanding scholarship.

At the District D. Teachers' Meeting, members guide the visiting instructors to their destinations.

## PEOPLE-TO-PEOPLE CLUB

People-to-People is a non-profit, non-governmental organization founded in 1956 by ex-president Dwight D. Eisenhower. One of the club's founders and its first president, Karen Hersh, with the aid of club sponsor Mrs. Smith, and George Hamovit secured permission to begin such a club, and by the fall of 1963 the People-to-People Club of P.H.S. was started.

The club's purpose is to promote world peace through personal contact with the people of other

countries. Through individual pen pals, the members learn about the people themselves. The main projects are the letter exchange program, sports kits, Project HOPE, and the Sister City program. At the present the club is working with the Sister City program which has already been adopted by the Petersburg city council. The membership is open to anyone who wishes to learn more about the people in other countries.

### **DISTRIBUTIVE EDUCATION**

The Distributive Education Club was started in Virginia in 1948. Participation in the club by students in Virginia is the second largest on a national basis. Our chapter was started approximately ten years ago.

This club was mainly organized to give the DE student a chance to join a school activity which otherwise is impossible since he must work after school. It not only serves the needs of students

professionally but also socially.

The students compete with schools in the district, state, and nation. Our students are rated highly in their contests which include salesmanship, advertising, interviewing, and judging of display windows.

Membership is not compulsory, but it is recommended to those who are in the DE course.

## ART CLUB

The Art Club is one of our school's newer clubs. This is only the second year of its existence. Last year, President Dee Dee Willcox led the members in the task of writing the club's constitution and setting the qualifications for membership.

In order to be considered for membership, a student must be in grades 9-12. He must also pass a special test measuring his artistic ability.

The purpose of the club, to further the interest

of its members in art and to spread its influence throughout the school, is carried forth through the Art Club's many projects. Posters are made for various clubs and events, bulletin boards are decorated, and favors are made for the teachers on special occasions or holidays. The club members also take two yearly trips. Previously, these trips have been made to Richmond, Norfolk, and other centers of cultural interest.

## DRAMATICS CLUB

In 1913 our Dramatics Club was begun as the "John Warwick Daniel Literary Society." In 1922 the Literary Society presented the play "Promonda Walk" for the benefit of the Missile and the Athletic Association. Later, Joseph Cotten was featured in the cast of one of the many plays produced by various senior classes.

There has been a continuing enthusiasm in drama through the years, and the purpose of the

club is to promote this interest.

Membership may be obtained by all who are willing to work in this type of activity.

An outgrowth of the Dramatics Club, the Modern Dance Club was organized in order to enable the members to express themselves through dance. This club, organized just this year, is only an example of the spreading growth of drama.

With a cheerful note for every occasion, the members of the Glee Club devote much of their time to their work.

Whether it be in concert, or leading the stu-

The majorettes have been performing ever since the band was first organized at our school.

Their main objective, promoting school spirit, is achieved by taking part in the pep rallies and by marching and performing at the football games.

Try-outs are held in May of each school year. The officers of the band and the old majorettes choose seven regulars and three alternates for the following year. Selection is based on performing ability, personality, and charm. The head majorette is then chosen by the girls themselves.

## BAND

The band was organized in 1939 with approximately thirty members under the direction of Leo De Sola. The struggling young group used World War I instruments.

In the fall of 1942 Mr. Ralph Stronach came to

The objective of the band is to fulfill the obligation of giving musical experience and appreciation to the students of P. H. S.

### *Sports*

Sports play a vital part at P. H. S. It is through sports that both players and spectators alike are taught sportsmanship, teamwork, and a sense of fair play.

This year the school spirit has been greater than usual. Stimulated by our cheerleaders, spirit here has risen to heights sufficient to meet all occasions. We shall all remember "Sneak up on Panthers Day," as well as all the other effective spirit-promoting activities.

School spirit was emphasized this year because of our championship football team. But perhaps, too, the team was urged on by the great school spirit shown by the entire student body.

In the words of Coach Jenkins, "If the school spirit that we had for football keeps up for all sports, all our teams will have a successful season."

## GOLF

The 1964 edition of the Petersburg High School Golf Team, with an impressive twelve wins and two losses Central District record (twelve and three overall), again won Central District honors. For the second time in as many years the Wave captured the District crown by winning its last two matches.

The team was hurt by the loss of Terry Lescure and Sonny Richardson. However, Dick Turner and Grey Jennings filled their spots very commendably.

In May, four representatives of the Golf Team went to Bow Creek Country Club at Virginia Beach, where they finished a creditable eighth place in a field of more than twenty-five schools. The representatives for the Petersburg team were: Dick Turner, Grey Jennings, Glenn Phipps, and Danny Fisher.

1964 lettermen were: Dick Turner, Grey Jennings, Glenn Phipps, Danny Fisher, Jack Rosenstock, and Roy Stillerman.

## VARSITY FOOTBALL

The Petersburg High Crimson Wave football team finished the 1964 season with a sparkling 7-1-2 record, placing the Wave in a tie for the Central District championship with the Hermitage Panthers. The Crimson Wave also led the District in offense, averaging 17.8 points per game, and was second in defense, allowing opponents an average of only 4.2 points per game and holding six teams scoreless. The Wave's success did not stop here, however, as it finished sixth in the state Group 1-A standings with the third ranked defense in Virginia.

Under the direction of Coach Bobby Tyler, in his second season as head coach, and Assistant Coaches, Norman Jenkins and Hubert Payne, the Wave never quit until the final gun, regardless of the score.

The team employed a well balanced scoring attack all season with three backs being tied in total points scored, each with 42. These were co-captains Bobby Erb, who later was voted to the All-Central District first team, and Forrest Tucker, along with sophomore Rudy Hawkins. Opening the holes up front for the hard-running Wave backs were guards Ed Myers and Jim Shannon,

tackles Mike Lanier and Steve Sheffield, and center James Ruffa while at the end positions were Tommy Ruffin, Carl Jones, or Bill Pritchett. When the yardage became tough, the Wave could depend on fullbacks Robbie DuPriest or David Evans to carry the load.

Leading the defense were such stalwarts as Steve Sheffield, Tommy Hughes, Shelley Newton, and Richie Daub. Defensive halfbacks Bobby Harris and Ricky Moss stopped opponents when they did manage to crack the Wave line and halted opposing offenses' passing game as well.

One of the highlights of this very successful season for the Wave was its 21 to 0 rout of arch-rival Hopewell High. The following week the Wave traveled to Richmond where it eliminated the Highland Springs Springers from the ranks of undefeated with a 7-0 victory. In the next to the final game of the year, the Crimson Wave battled to a 7-7 tie with co-champion Hermitage. The season was concluded in a sea of mud Thanksgiving morning with a 6-0 victory over neighboring Colonial Heights.

### BASKETBALL

The 1964-1965 edition of the Crimson Wave basketball team, led by co-captains Fred Feil and James Ruffa, finished the regular season with a record of twelve wins and four losses, the best in several years, and gained a tie for second place in the district standings with George Wythe and Hermitage.

Two of the Wave's four regular season losses were at the hands of Manchester, the state's only undefeated Group 1-A team. On the bright side of the ledger, the Wave defeated arch-rivals Hopewell, Colonial Heights, Thomas Dale, and Prince George two times each to make it a clean sweep over the four traditional rivals. Misfortune befell the Wave in the district tournament again this year as the third-seeded Wave went cold and dropped the game to sixth-seeded Thomas Jefferson, a team the Wave had beaten badly earlier in the season.

The Wave had one of the most balanced attacks in the district, led by leading scorer Morty Rudnick, Fred Feil, Butch Brantley, Robert Moody, Jim Jacobs, and Bob Smith. Jimmy Farber also turned in some outstanding play before graduating at mid-term. Feil, Moody, Rudnick, Ruffa, and Farber were the Wave's most consistent rebound-

ers. Moody reached his peak near the end of the season when he almost single-handedly led the Wave to several victories with his fine shooting and rebounding. Others who played important parts in the Wave's multiple substitution system were Dan Murrell, H. L. Parrish, Rudy Hawkins, Gary Rowlett, Ron Smith, Bill Pritchett, Bubba Spain, and Rick Wentworth.

The Wave loses eight of its sixteen players through graduation. The remaining eight in addition to those players up from this year's fine junior varsity team should form the nucleus for another fine season.

Coach Hubert Payne's Jr. Varsity squad compiled a record of fourteen wins and two losses, those being a two-point loss to Hopewell and the overtime loss to Thomas Dale. The Baby Wave was led by the high scoring of Bernard Wray and the good rebounding of Phillip Simmons and Richard Earl, who should be a big help to next year's varsity team.

The P.H.S. Eighth Grade team, coached by Mr. Robert Budlove, started slowly, but improved near the end of the season to finish with a record of three wins and five losses.

ley, Jimmy Shannon, Alan Cohn, Ed Myers, Larry Toombs. Front Row: James Ruffa, Forest Tucker, Bobby Harris, Jimmy Jacobs.

## BASEBALL

Coach Norman Jenkins in his record year as head baseball coach piloted the Wave nine to a fourth place finish and a respectable 8-5-2 record. The Wave had important wins over Hopewell, Prince George, Thomas Dale, Colonial Heights, Hermitage, and John Marshall, and ties with Manchester and Huguenot. However, their loss to Highland Springs virtually cost this young, scrappy Wave team the district championship. The squad's finest performance came against the Prince George Royals in their first meeting. Bobby Harris, ace righthander, held the powerful Royals to only one run and handed the pre-season favorites their first defeat.

Led by James Ruffa the Wave had five boys to hit over the .300 mark. The other four members are Bobby Harris, Captain Robin Worth, Butch Brantley, and Alan Cohn.

Individual honors went to James Ruffa who led the district in hitting (.475), homeruns (5), runs-batted-in (27), and captured a birth on the first All-Star team. Robin Worth was awarded a place on the Second All-Star team.

Unfortunate losses to the 1965 team are Ronnie Stewart, shortstop; Cohn, outfield; Worth, 1B; and Carl Jones, pitcher. Those returning are Rudy Hawkins, Larry Toombs, Bubba Spain, Jim Shannon, Jim Jacobs, Forest Tucker, Tommy Watkins, Ed Myers, Harris, Ruffa and Brantley.

## GIRLS' BASKETBALL

Although the season is not yet complete, the Wavelets have shown great promise in an exciting triumph over Hopewell in a close battle. Success can be attributed to teamwork and individual ball handling. The Varsity team will play in the All Prep Tournament which concludes the 1965 season. Leading the Varsity Girls' Basketball team are three third year veterans along with second year players, JV recruits, and newcomers.

Alice Pritchett (25) taps the ball to Cindy Gwaltney (11).

Shirley Jackson (21) and Jennie Belle Powell (30) display the complexity of girls' basketball.

Forward Shirley Jackson (21) and the referee keep a close watch on the ball as it rolls over the sideline.

## **CONGRATULATIONS, GRADUATES!**

Although now you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy democracy. We depend upon you to do a good job.
